

IL MULINO DIVINO™

PASSATA
DI POMODORO

WITH FRESH BASIL

For generations, traditional Italian cooks have trusted the art of hand-milling whole tomatoes to create their smooth passata-style sauces. Thanks to our unique ultra-low temperature process, you can now impart an even greater vine-fresh aroma "pop," rich tomato flavor, and an exquisitely smooth, silky texture to your sauces, reminiscent of authentically hand-milled whole tomatoes straight from the can.

INTRODUCING

Il Mulino Divino™ Passata di Pomodoro

A more flavorful and dependably consistent alternative to hand-milling whole tomatoes, Il Mulino Divino™ is so unique in its flavor, thickness, and consistency relative to other tomato products that it has become its own unique “passata di pomodoro” product category within the tomato industry.
